

Buy a duck and change the world!

This year's race will take place at the District Conference in Cedar Rapids, Iowa on April 25, 2020.

Here's how it works:

1. Each club and individuals from that club will be represented by a single duck in the race.
2. The first three ducks to cross the finish line will be the winners. Once the winning three clubs have been determined a computer pick at random will occur to choose one winner of a Paul Harris Fellow designation for each of the three winning clubs.
3. Each club participating in the race will receive Foundation Paul Harris Fellow points for the full amount of dollars contributed by the club through the purchase of ducks.

Ducks are \$5 each and checks can be made payable to The Rotary Foundation and mailed to:
