

Rotary

District 5970

March 23, 2020

I'm truly sorry you were unable to attend NCPETS in Rochester, MN. We had a great number of amazing sessions that weekend. At this time, we have scheduled a PETS make up session for April 4th, 2020 from 8:30 - 12:00 Noon. This will fulfill the Rotary International requirement that all PEs be trained before taking office as President of their club. Due to the probability that we will still be asked to "stay home" and "practice social distancing", we are making this training available online via a Zoom meeting. If you do not already have the zoom software on your computer, I would ask that you do this a few days before the meeting. The link for downloading the software is [here](#), follow the prompts to download the software.

The link to register for the online training is [here](#). In that invitation there is a link that asks you to click here to "join the meeting". Please register but don't click the link to join the meeting until the day of the session.

We would also ask that you let Suellen, our District Executive Secretary, know as soon as possible if you are planning to attend so we know who to expect. Her email is des@district5970.org.

Thank you and I look forward to seeing you on the 4th.

Yours in Rotary,
Lowell Stoolman, District Governor Elect
